

## Caribbean Natural Resources Institute (CANARI)

The Caribbean Natural Resources Institute (CANARI) is seeking an individual consultant for the position of ***Country Coordinator for the Dominican Republic*** as part of its Regional Implementation Team (RIT) under the Critical Ecosystem Partnership Fund (CEPF) investment in the Caribbean Islands Biodiversity Hotspot.

The position will be based in the Dominican Republic. **The Country Coordinator, therefore, must be eligible to work in the Dominican Republic** and be available to travel within country, once COVID-19 restrictions are lifted. Some regional travel may be required.

To see the request for expressions of interest, please visit (<https://bit.ly/3xR7Hjo>). For more information about CANARI, go to <https://canari.org>.

To apply, submit a cover letter summarising suitability for the position **based on the request for expressions of interest**, a detailed CV, and contact details of three referees known to the applicant in a professional capacity.

Applications for this position should be sent by close of business on **July 18, 2022** to [Human.Resources@canari.org](mailto:Human.Resources@canari.org). Only short-listed applicants will be contacted. CANARI is an equal opportunity employer.
