

Have a voice in planning! Show how you use your land and sea space

- Where do you plant your crops?
- Where did land crab pass 20 years ago?
- Where are the main fishing grounds?
- Is the beach disappearing?
- Where are the hunting grounds?
- Where are the private and state lands?

Show others what you think.

Help to **build a 3D cardboard model** of the Soufriere Scotts Head Gallion area to show use of the land and sea space. The model is yours when its completed!

Dates: **Friday 08 April–Tuesday 14 April, 2015**

Time: **8:00am– 5:00pm**
